

Dante AV Ultra

Dante AV Ultra is a revolutionary new AV solution for standard 1 Gbps networks that allows manufacturers to add networked video to the industry-leading Dante audio-over-IP platform. It provides the ease-of-use, seamless multi-vendor interoperability, and integrated control experience that customers have come to expect from Dante.

Dante AV Ultra devices appear in Dante Controller alongside Dante audio devices and can be routed just as easily. Dante AV Ultra uses JPEG2000 codec which delivers visually perfect results at 4K60 with low latency

Bolin D Series Dante AV Ultra PTZ camera D412/D220 is the world's first Dante AV Ultra hardware enabled pan, tilt, zoom camera interfacing video and audio in a standard 1 Gbps network, and providing uncompromised video quality with extreme low latency and AV synchronization.

Camera

UK list
ex VAT

D412

£2,880.00

- Dante AV Ultra 4K PTZ
- Sony Sony 1/2.8 Inch CMOS Image Sensor
- 3840 x 2160, 8.29 Megapixels
- Optical Zoom 12X, Digital Zoom 12X
- 3.86~42.95mm Focal Length
- IP Res Up to 4K 2160p60
- Dante Serial Over IP, Visca Over IP, RS232, RS422(485), IR Control
- Dante & HDMI output
- RS232/422, Serial-Over-IP & Visca Over IP Control
- 12VDC and PoE Power

D220

£2,390.00

- HD version of the Above
- 1920 x 1080, 2.08 Megapixels
- Optical Zoom 20X, Digital Zoom 16X
- 5.2~98mm, Focal Length
- IP Res Up to 1080p60

Transcoder

D20H

£1,990.00

- Programmable as encoder or decoder
- HDMI sources up to 4096x2160p(4K)
- 12VDC and PoE Power
- Wide range of mounting options

D20S

£2,240.00

- As above with 12G-SDI output

Controller

KBD-1010-RNV

£1,390.00

- IP network control
- Serial RS232/422/485 control
- Supports all Visca/ VISCAoIP/Pelco/Onvif PTZ Cameras

Dante AV-H

Dante AV-H uses the H.264 codec to bring the flexibility of Dante to video at a lower bandwidth and cost for applications where the visually lossless image and extremely low latency of Dante AV Ultra is not required

D2-210H

- Dante AV-H HD PTZ Camera
- Sony Sony 1/2.8 Inch CMOS Image Sensor
- 3840 x 2160, 8.29 Megapixels
- Optical Zoom 12X, Digital Zoom 16X
- Bandwidth 4-8Mbps at 1080p60

- IP Res Up to HD 1080p60
- Dante Serial Over IP, Visca Over IP, RS232, RS422(485), IR Control
- Dante & HDMI 1.4 output
- RS422, Serial-Over-IP & Visca Over IP Control
- 12VDC and PoE Power

£1,140.00

D2-210HW

As above in white

£1,140.00

D2-220H

- As above with
- 20X Optical Zoom
- 3G SDI output

£1,310.00

D2-220HW

As above in white

£1,310.00

Camera Mounting Accessories

BL-WM-01

Camera Wall Mount Bracket

£88.00

BL-CM-01

Camera Ceiling Mounting kit

£88.00

Trascoder Mounting Accessories

B-RM11

19" dual rack mount

£109.00

B-RM10

19" single rack mount

£69.00

B-DR10

Din Rail mount

£44.00

Compatible with Din Rail (Top hat rail IEC/EN 60715)

B-SM10

Surface mount

£150.00

For mounting the device onto a pole, pendent rack for TV monitor, the back of the TV monitor, and any vertical surface.

B-BM10

Base mount kit

£44.00

Base Mount Kit is included with D10H, D20H and D20S forfixing to flat surface
